

**YOU LOVE THEM, WE LOVE THEM.**

**ULTRACELL®** Pet is the hemp-derived CBD oil just for dogs and cats! Our recommended serving size is based upon the weight of your pet.

## CATS & DOGS\*

### START

with 1 drop or less per 5 lbs. of body weight, twice a day.

### INCREASE

to 1 drop or more per 5 lbs. of body weight, twice a day.  
Do not exceed more than 4 drops per 5 lbs of body weight, twice a day.

Place inside the upper lip under the split between upper lips and nose.

\* Always start low initially. If you don't see any results after dosing your animal, gradually increase the serving size. Do not exceed the maximum serving size. Always consult your veterinary provider prior to use.

While side effects for dogs and cats using UltraCell® Pet are rare, keep an eye out for the following situations:

| Symptom                        | Looks Like   | Action   |
|--------------------------------|--|--|
| Hyper-agitation                | Restlessness; pacing; body tension; jumpiness; growling; cowering; flicking tail quickly.                            | Lower serving size.                            |
| Hyper-sedation                 | Drowsiness; loss of coordination; dry-mouth; lowering head; leaning on something; lack of balance; loss of appetite. | Lower serving size.                            |
| Hives / Rash                   | Itching; scratching; bumps; welts.   | Stop usage.<br>Seek emergency veterinary care. |
| Respiratory / Breathing Issues | Gasping; wheezing; swollen lips/tongue/mouth.  | Stop usage.<br>Seek emergency veterinary care. |
